21st International Workshop for Young Scientists
BioPhys Spring 2022

BPS 2022

to be held

on *30th – 31st May 2022 in Nitra*

AgroBioTech Research Centre – Congress Hall

Dear friends and colleagues,

It is our privilege and great pleasure to invite you on behalf of organising institutions – Institute of Electrical Engineering, Automation, Informatics and Physics of Slovak University of Agriculture in Nitra, together with Institute of Agrophysics Polish Academy of Sciences, Lublin, Poland, Czech University of Life Sciences, Prague, Czech Republic and Hungarian University of Agriculture and Life Sciences, Gödöllő, Hungary – to participate in the 21st International Workshop for Young Scientists BioPhys Spring 2022 (BPS 2022) to be held in Nitra on 30th – 31st May 2022 as the event with hybrid – personal and online participation.

The workshop is oriented on the deeper insight into the physical processes occurring in biological, agricultural and food systems. The workshop combines two basic tasks of international meeting: exchange of professional experience and integration of young people from different countries.

Let me cordially invite young scientists to participate in the BPS 2022 Workshop and to present results of your research in application of physical methods to agriculture, biology and/or life sciences.

The workshop is organised as an opened English spoken event. One-page abstracts of contributions will be published in the Book of Abstracts of the BPS 2022 Workshop.
